Resolution 5232 ▶

Resolution 5232 of December 14, 2016

Approves the Supplementary Instructions to the Terrestrial Regulations for the Transport of Dangerous Goods, and makes other arrangements.

The Board of the National Land Transport Agency - ANTT, in the use of its attributions, based on the DSL - 211 Vote, dated December 9, 2016, as set forth in the Proceedings 50500.310609 / 2016-05 and 50500.056919 / 2015-80;

CONSIDERING Law 10.233, of June 5, 2001, which establishes in article VII, item VII, that ANTT is responsible for the transportation of dangerous products on highways and railways and, in section XIV of article 24, that ANTT, in its sphere of operation, as general attribution, to establish complementary technical standards and norms regarding the operations of terrestrial transportation of dangerous products;

CONSIDERING the recent updates to the UN Model Regulations, the Orange Book, a document drawn up by the Committee of Experts on the Transport of Dangerous Goods of the United Nations, to which ANTT is a party, and which serves as a basis for national regulations;

CONSIDERING the need to update and harmonize the supplementary instructions to the current road and rail transportation regulations, in accordance with the technical evolution of internationally applied norms and standards;

CONSIDERING the assignment of the National Institute of Metrology, Standardization and Industrial Quality - Inmetro to regulate and monitor conformity assessment programs and inspection of packaging, large containers, intermediate bulk containers (IBCs) and portable tanks, in accordance with the provisions of Law No. 5,966, of December 11, 1973, and Law No. 9,933, of December 20, 1999; and

CONSIDERING Public Hearing No. 004/2016, held from March 14, 2016 to April 15, 2016, RESOLVES:

Art. 1 Approve the Supplementary Instructions to the Regulation of the Terrestrial Transportation of Dangerous Products, attached to this Resolution and made available in the electronic address of ANTT, at <http://www.antt.gov.br>.
