

IVODGA

INTERNATIONAL VESSEL OPERATORS
DANGEROUS GOODS ASSOCIATION

At-A-Glance

The International Vessel Operators Dangerous Goods Association, Inc. (IVODGA) is an international organization comprised of representatives of the ocean common carriers of the world, operating under the flags of several nations, dedicated to improving the understanding and uniform application of rules and regulations governing maritime transportation of dangerous goods. Collectively, IVODGA members are responsible for the safe transportation of over 75% of the world's ocean borne container traffic.

IVODGA's primary focus is to foster the safe handling of hazardous materials, as well as to offer the expertise of the ocean carriers in the development of international and national multimodal regulations.

IVODGA holds consultative status and actively participates at the International Maritime Organization (IMO) and the UN Committee of Experts on the Transport of Dangerous Goods. IVODGA actively comments on proposed regulations and is in frequent contact with the U.S. Department of Transportation, the U.S. Coast Guard, Transport Canada and other regulatory bodies.
